* If transferring a course from a community college, check www.assist.org comparing SFSU’s BS in Dietetics to the community college equivalent courses officially articulated to SFSU. Print out the course equivalencies listed from each community college attended and attach computer printouts. If the course you took is not listed on www.assist.org (ex: other than listed courses or from out of state or private schools) attach computer printouts of the online college/university catalog description of the course.

** Fall academic schedule (registration) must be attached to verify all classes in progress.

Personal Statement of Experience and Career Goals:
Your personal statement should be a one page (max), single-spaced, typed statement with two paragraphs (one addressing each item below). Information is confidential and used only to evaluate your application.
1. Description of your experience in the field of dietetics and nutrition or related fields through work experience, volunteer work, or creative activities.
2. Description of your professional goals related to the dietetics program including service to the profession. Why do you want to study dietetics; why do you want to become an RD?

Your Signature
I hereby certify that all the information I have submitted on this application is true to the best of my knowledge. Falsification of records and/or grades is grounds for expulsion from the program.
