Family & Consumer Sciences Student Association,
advisor: Dr. Sands

Check bulletin boards near BH 329 for officers and meeting dates. Get involved with your professional associations for networking, mentoring, job opportunities, leadership opportunities, and much more. Check out their Websites.
GET CONNECTED: USE My SFSU. You can do many things through MySFSU. Go to email options to forward your SFSU email to your gmail, yahoo, or other account so you don’t miss important messages from campus. Faculty send e-mails from their class lists or iLearn site, which go to your SFSU address. You can print your transcripts, DARS or class schedule, sign up for Credit/No Credit, add classes with a permit number, change your address, verify your enrollment, check deadlines, and many more things through MySFSU.

DEADLINES: DROP/ADD/CR-NC/W. Adhering to deadlines is very important, especially in this budget era. The university is being strict about deadlines and adhering to new policies. High unit students will be getting notices from the registrar for additional required advising. Finishing or adding double majors and minors may be more difficult this year. Check with your advisor.

YOU MUST CHECK YOUR ONLINE REGISTRATION BEFORE Sept 9 to make sure you are properly registered. DROP DEADLINE: Sept 10. The deadline to add a class: Sept 24. You will NOT be allowed to add classes late. CR/NC deadline is Oct 23. Sign up online (faculty cannot do this for you.) Withdrawing from a class needs 3 signatures and documentation of serious and compelling reasons. Deadlines: Nov 26 and Dec 17. Check course syllabi for details on CHSS ‘W’ policy. Documentation is needed for all withdrawals.

THE CFS/D WEBSITE. Check out the dept site. You’ll find student association news, program requirements, applications, dept activities, and more: http://cfsd.sfsu.edu.

SENIOR PORTFOLIOS. Students will develop a portfolio of their work in their senior year. You should think about projects in each class that might go into your portfolio.

MEET AND GREET FOR NEW FALL 2012 CFS/D MAJORS/ADVISING

Meet your faculty and fellow 2012 students

Attend the Meet and Greet session for new majors in BH 401
August 29, Wednesday, 2:30-4:00
Vista Room BH 401

Advising Info:
1. You should have already started a file in the CFS/D Department office, BH 329. If not, start one in BH 329.
2. Each semester, see your program advisor. Make an appointment during his/her office hours. Bring your folder with you.
3. Transfer students: bring copies of your unofficial transcripts from all schools and your Degree Audit Report (DARS).
4. Work out an Graduation Plan with your advisor, sign it, and have a scan sent to your email by the office staff. The original should be in your folder in BH 329. You may need this the first day of classes. Please do NOT take your folder home; we must have it in the Department office.
5. For GE and general advising, you may want to visit the Student Resource Center in the College of Health & Social Sciences, HSS 239, 415/405-3533, https://chss.sfsu.edu/advising/
6. If you do not attend the first day of classes, you may be dropped; but don’t assume that, you are still responsible for your registration.

FALL 2012 GRADUATING SENIORS

The deadline for Fall graduation applications is Friday, Sept 21 to the dept chair. (If you are part of the “On Track to Graduate” group, your Spring graduation application is due to SSB on Nov 28. Since Spring registration starts Nov 14, this timeframe is tight!) Be sure to start the process early. Your Advisor and Department Chair must sign your application before you take it to Student Services. Advisors may not be available the day of the deadline, so don’t wait till the last day! Take your folder to your advising appointment. Follow the guidelines that are in your folder for graduation applications. Remember you must type in the courses required for your major in the order they appear on the checksheet in your advising folder and have all substituted courses signed off by your advisor. List the substituted courses on the application as appropriate. You need a current copy of your unofficial SFSU transcript. You may want to check with the university Advising Center if you have questions on general university graduation requirements. You need 120 units and a 2.0 SFSU GPA, 2.0 Overall GPA, and 2.0 Major GPA.

IMPORTANT: check your DARS for equivalencies for major courses. If they are not listed, see your advisor ASAP. The Registrar may not take late applications.
CFS/D faculty and students organized a wonderful ceremony and celebration for our 2011-2012 graduates. The celebration took place in the gym where our College Dean, Don Taylor, and Department Chair, Nancy Rabolt, talked to students, families, and friends. Amy Dorie, CFS/D distinguished undergraduate student, and Stratis Rozakeas, CFS/D distinguished graduate student, spoke to the graduating class. Student representatives from each program spoke about their programs. Congratulations to all! Refreshments were provided by the Vista Room staff.

Thanks to many of our FCS graduate students and Dr. Vouchilas’ team for making this such a great day. We need student organizations to work on next year’s celebration. Also we’re hoping juniors will volunteer in May for the next graduating class (when you graduate, the juniors will do it for you!). See Dr. Rabolt or Dr. Gus Vouchilas with your ideas.
IMPACTED CFS/D PROGRAMS

The BS in Apparel Design & Merchandising, the BS in Interior Design, and the BS in Dietetics are impacted. Departmental supplemental applications, in addition to the SFSU application, are required for admittance. (Continuing SFSU students only submit the department application.) Faculty carefully review applications and admit about 60 ADM, 40 DFM, and 40 ID new majors each Fall. Supplemental applications are online at http://cfsd.sfsu.edu. Prerequisites to the majors are open to all students; major requirements are open to majors only. December 15 is the deadline for Fall 2013.

INTERIOR DESIGN NEWS

Dr. Karen Johnson-Carroll is offering a new elective course for Spring 2013. The course will consist of travel and learning in Italy and Greece over the spring break. It is open to all students. Friends and Family are also welcome to sign up for this tour, although SFSU credit is limited to students only. Students will be immersed in culture, architecture, design, and everyday life. For more information, go to: efcollegestudytours.com and investigate tour #1240014. Please see Dr. Johnson-Carroll for more information on how to enroll in the units at SFSU.

The Interior Design program is pleased to present an on-going field experience opportunity for students at Douglas Durkin Design. The new program consists of an application and acceptance policy in the Spring and in the Fall. It is a wonderful opportunity for students to consider as they prepare for their final year of study. Please see Dr. Gus Vouchilas for more information.

We are delighted to learn of the opening of a new showroom at the San Francisco Design Center Galleria called ‘HENRY’. The showroom is a partnership to include San Francisco State Interior design graduate Jeffrey Senkir. We are excited for him and hope that you will stop by to see all the wonderful items (Space #300).

FCS STUDENT ASSOCIATION

Family and Consumer Science (FCS) majors are needed to form a Steering Committee to organize the FCS Student Association for the 2012-2013 Academic year. The FCS Student Association is for majors in the following emphases: Child and Family Sciences, Nutrition/Foodservice Systems Management, and General Family and Consumer Sciences/Teacher Preparation.

There will be several meetings Fall 2012 to develop the organization’s goals, elect officers and set up committees to provide service to both our community and FCS students. Belonging to this student association will give you the option to join the AAFCS student association, which will qualify you for scholarships offered by the AAFCS-CA and the Bay District regional affiliate. To attend the first meeting, please email all the times you are available.

NEEDED: NEWSLETTER EDITOR

Who: Ideally, the president of a student association, but could be any student in the department.
What: Gather and publish student news. When: Fall 2012 and Spring 2013
How: Earn 1 unit of CFS 699 credit with Dr. Rabolt. See her if interested. Note: The first issue each year is produced by the CFS/D office. Additional issues are produced by student editors. Please help your student newsletter representatives put together an in-house newsletter that meets your needs.
